July 2018 Treasurer's Report

I contacted Diane and asked her to return her treasurer supplies and Area checkbook to David A.

AT&T wireless bill for June is \$45.38 but we had a credit of \$62.24 so our balance is a credit of \$16.86.

I bought printer ink and have been reimbursed \$54.11.

On 6/23/18 I sent a secure message through Texas First Bank website to see what we need to do to add and remove users.

I received a reply saying I need to stop by branch to pick up paperwork I fill out. Since we haven't elected all the positions we need for this, I am waiting until after Area.

While making entries in Excel spreadsheet I noticed the spreadsheet balance was about \$150 less than the actual bank balance. So I audited the spreadsheet with the checking account back to the beginning of 2018 and found 2 small errors which I corrected. That brought the balance in our checking account to \$157.50 over the excel spreadsheet.

I have printed 2 copies of the spreadsheet and last 3 months of transactions from our bank.

Thank you for allowing me to serve you.

Greetings....

June was an amazing month for me and i am extremely grateful for the opportunity to have served my.first month as PR. I was blessed to have received the opportunity to carry the message into the pathways house for woman. Myself and now 5 other ladies all go on monday nights at 8. There are defiantly a need for the love we carry there. I can report today that racks at Ada, Pathways for woman, Gulf coast center and galveston probation department have all been stocked. I have made a few calls to the federal parole office to see if there a rack there, if not can we add one. Im still new to the island and working on setting down here but my plan is to go to the jails this week to check the racks. Please send me any info on service opportunities in the area that need my attention.

I loving service Holly W

Also please let them know that we have a women's meeting now and need support for it

PI: Inmates are receiving recovery and meetings inside prisons. H&I logo needed.

Hey all,

I have been very busy taking care of some personal business lately, but that is winding down. I have a few people on my subcommittee and we have tossed around some ideas. A chili cook off seems to be the front runner for an area event. With all the Bonfire and Tiki Torch meetings right now it is hard to not interfere with those. We have a couple of places in mind to do this and I will get more info by next Area.

Thanks for letting me be of service.
