Texas Tri County Area of Narcotics Anonymous THE Cleaning Ragg Newsletter SERVICE OPPORTUNITIES!!!

Hospitals and Institutions

Tri County Area Hospitals and Institutions committee provide many opportunities for addicts in recovery to "give back" and bring meetings to addicts who do not have access to regular NA meetings. H&I serve both correctional and rehabilitation facilities in our area. Bringing meetings and literature to those in need who otherwise wouldn't have a clear NA message available to them is very rewarding for volunteers who participate. H&I and PR meet regularly on the first Wednesday of the month at Ryan's Steakhouse.

The meeting locations will be alternating between the Texas City and the Lake Jackson Locations. July and Sept will be in Lake Jackson and the Aug meeting will be in Texas City. Contact Melvin 979-285-8544 or Perry H. 979-292-9186 or Saleice 281-701-6399 for information or to volunteer.

The TTCANA Convention Planning has begun.

Look for flyers and information to attend committee meetings and get involved in this recovery celebration!
