**RCM 1 (Jamie F.)****RCM Report**

Good morning all. As mentioned in my last report the car was to fall on the 28 th of November and it did. This is an interim car and needs to be completed by February if this body would like a workshop Rubin is free to come and do one in January. I need to find out when crystal beach has their Group Conscience meeting so I can ask if they would like to be involved in the meeting. The car is mostly budget and Financials. You can see a copy on the NAWs website. I am sending a copy with my report. We will be doing an inventory following the Regional Assembly in January which will be on the on line platform which will be January 11 th and 12 th two days because of the inventory. We

will have our regular meeting February the 8 th which I will be attending virtually as well

so that I can be at H and I fundraiser. I have been sending out PRs workshops to all the PR chairs in the area as well as the Region H and I meeting. We have been practicing Conscience Based Processing in the meeting. Do we want to keep doing trial and error or do we want a workshop on this. My opinion again is if we are going to do Conscience

base as Policy states we need to do it all the way. The lack of knowledge in this area is one of the issues at region and could become a stumbling block at area as well. We should follow our policy. Back to the car it has to be tallied and finalized by the date of the convention on the 14 TH . TBRCNA is coming along good. Tammie has asked us to ask our Area if they would like to host a slot in hospitality. The convention registration has gone up from 20 dollars to 25 dollars as pre registration is over. We still have rooms

open you can register on line at TBRCNA.org. We are also sending fliers with the QR code on them. Anybody interested in hosting a workshop please get with me. Our theme is One Addict Helping Another Is The Heart Beat of Recovery.

In Loving Service  
Jamie
