#### Outreach – (Amy G.)

- Did not go to the meetings this month as I had a few personal problems to take care of.

#### PR – (Jamie F.)

- I have been attending Houston's PR meeting since Region has not been holding one, I had a PR subcommittee meeting this month and we are just getting excited about having PR in the area again. Though attendance was only Erica from Here and Now as well as KIm from Alvin and Amy from OUtreach it was still a good meeting, I will be getting with Steve and getting the IPs that the girls need and get those to them we may have a new place to go into more will be reviled. I am working with a guy that Brian knows to get our PR webpage on facebook and working to get a PR track that just loops on the laptop for events going forward.
- I am currently reviewing all PR IPs in our possession and will have a complete inventory ready next month.
- I would like to create two PR web pages — one on Facebook and one on Instagram. These pages will help us communicate what we are, not who we are, and allow people to easily find information about NA. Many areas across the world have been successful using these tools.
- I am also connecting with private printers, as we have several PR items we need and private printing may lower costs. I will be creating business cards with a QR code linking to meeting information for treatment centers and other places that request resources.
- After reviewing PR Basics, it is clear that PR includes Phone Lines, Web Servant duties, Newsletter, and Outreach. With that in mind, I would like to ask all trusted servants to attend our PR Subcommittee meetings. Our PR subcommittee meetings will be the third Sunday of the month at 7 pm on zoom

Phoneline The phone line is going good I am on this week Mark next week and it just goes like that rotating every week. About the 800 number I am still looking at a cheaper way and it seems that all we really need is the cell phone number, I will have more information next month.

- If you're interested in getting on the phoneline please contact Jason at [JWGraves1970@gmail.com](mailto:JWGraves1970@gmail.com).

Convention (absent). The next convention meeting is June 28 at 1:30 at Alvin there was an inventory of all goods left over from the convention and we have shirts if anybody is doing a fundraiser and wants to auction them off. The convention was a big success though we had to

over come many adversities the biggest is that we where unsure of the venue until close to the last minute and we were able to navigate that without a chair or a sec. The convention account has 4,755.14 and under the 6000 dollar prudent reserve we will need to have group fundraisers if we are going to have the convention on 2027

Web Servant open we have meetings that are wrong on the schedule and we are looking into ways to fix that..

Old Business:

None.

New Business Proposals at the end of this report

None.

Open Forum

Mark G. apologized to the Area for putting alcohol in the hot food he prepared for the marathon meetings in the hospitality room at the convention. He assured the meeting that the alcohol burned off when he cooked it888.
